

## DIED,

In Worthington, on the 18th inst. Mr. S. Adams, aged 25 years. The circumstances of his death were most shocking—he incautiously placed his foot in the jaws of a machine, used for breaking tanners bark, to prepare it for grinding, into which he was drawn in the course of eight seconds, and his foot and leg were cut into two-inch pieces - during which excruciating operation he thrust his right hand, between two cogg-wheels, which broke it across at the insertion of the wrist, and severed one finger from it.—He survived the shock twelve hours and expired. Mr. Adams was a regular, industrious citizen. He has left a wife to mourn the death of an affectionate husband, and two infant children to want the carresses and support of a tender Father.—Many are the blasts, and from many points do they blow to extinguish life's little lamp.

At Orange, the 26 ult. Mrs. PATIENCE METCALF, wife of Joseph Metcalf, Esq. aged 56.
