

Worthington Historical Society
PO Box 12
Worthington, MA 01098-0012

Dear Mr. Brown:

I am very sorry to have heard about the passing of Lois. Lois was certainly an active member of the community. It was a pleasure serving with her on the Board of Deacons for the church in the late 1980's and early 1990's. I learned a lot from her. I still go down to the old stone quarry she told me about in back of our house.

So far, the society has received well over \$500 in her memory.

Unfortunately, some of the checks that have come in were made out to you. As a result, I cannot deposit them into the Historical Society Account. Could you please take the checks and cash them. If you so desire, please make out a single check payable to "Worthington Historical Society" for the proceeds.

Thanks a lot for your help.

I wish you the best. Looks like your son, Ben and I will be headed to the White Mountains of New Hampshire in a couple of weeks.

Sincerely,

Ed Lewis, Treasurer
